**Act now – Offer ends 31 December 2024!**

## What our clients say

"The design team at Strategic Proposals transformed our bid documents, making them visually compelling and highly effective. Their expertise and creativity are unmatched!"

Limited-time discount on our most popular design services:

**Design healthcheck:** Get a free review of three recent bid, proposal, or pitch documents (under NDA) OR on one work in progress one, with consultation for feedback and mocked-up improvement ideas. Free for the first five organisations ordering the service before 31 December 2024, then just £250 per healthcheck thereafter.

**Template refresh:** Freshen up your proposal, bid, presentation, or pitch templates. This service includes a review of current templates, application of brand guidelines, an expert consultation session, development work, testing, and user training.

**Editable graphics library:** Re-design complex and simple graphics starting from £50 per graphic for volume orders. Revitalise and modernise your graphics and make them editable for future bids and proposals.

**Bespoke bid branding:** Includes an initial briefing call, facilitated workshop, development of three bid/campaign concepts, and a Word or PPT template.

**Bid/proposal knowledgebase makeover:** Freshen up your re-useable content and graphics to ensure your content sings from the page in your proposals and submissions, starting from £45 per page.

**Pitch Accelerator:** Enhance your pitch presentations with our discounted yet still comprehensive service. This includes applying professional design and animation to your bid presentation or pitch deck.

**Killer graphic:** Get one high impact graphic that perfectly explains your value proposition or solution overview for your executive summary.
